SAQ scheduled to air on World Radio Day, Feb. 13th 2023

The Alexanderson multiple antenna in the sunset.

The theme for the 12th edition of the World Radio Day, to be celebrated on February 13th 2023, is "[Radio and Peace](#)".

SAQ is therefore scheduled to be on air, to send out a peace message to the whole world, using the unique 200kW Alexanderson alternator, from 1924, on 17.2 kHz CW.

Program and Transmission Schedule

15:00 CET (14:00 UTC): The transmitter hall at World Heritage Grimeton Radio Station is opened for visitors.

Transmission & YouTube Live stream

15:25 CET (14:25 UTC): Live stream on YouTube begins.

15:30 CET (14:30 UTC): Startup and tuning of the Alexanderson Alternator SAQ.

16:00 CET (15:00 UTC): Transmission of a peace message from SAQ.

Test Transmissions

We are planning for a test transmission on Feb 13th, approx. at 13:00 CET (12:00 UTC). SAQ will be on air for 20-30 minutes, when we will be carrying out some tuning tests. Your comments are welcome to info@alexander.n.se.
